# A Letter from the Kansas City, Kansas School Foundation for Excellence

---

Dear Partners, Sponsors, and Supporters of Education,

On behalf of the Kansas City, Kansas School Foundation for Excellence, thank you for your generous support and partnership in empowering the next generation of scholars within the Kansas City, Kansas Public Schools.

We recognize the profound impact of collaborative efforts with sponsors like you and your invaluable contributions, the Foundation for Excellence annually awards \$5,000 scholarships. Your support directly translates into tangible assistance for these students, covering essential expenses such as tuition, room and board, books, and fees at their chosen community college, university, or trade school.

Reflecting on the accomplishments of the Spring 2024 scholarships, your partnership has been instrumental in achieving the following milestones:

Under your patronage, the Golf Tournament raised an impressive \$124,919.50, a notable increase of \$9,374.50. Fifteen scholarships were generously awarded, providing crucial financial support to deserving students.

Once again, we extend our most profound appreciation for your unwavering support and commitment to educational excellence. Together, we are making a meaningful difference in the lives of countless students, empowering them to reach their full potential and pursue their dreams.

Thank you once again for everything you do!

With gratitude,

Christal Watson  
Executive Director  
Kansas City, Kansas School Foundation for Excellence
