letter from our director

September 14, 2020

To Whom It May Concern;

The Kansas City, Kansas School Foundation for Excellence, Inc. (the Foundation) would like to formally invite you to be a part of our virtual State of Our Schools event, on behalf of Kansas City, Kansas Public Schools District (KCKPS), featuring Interim Superintendent Dr. Alicia Miguel, State of District Address on October 27th, 2020.

The Foundation, established in 1990, aims to support students' needs in the KCKPS. Today, our nonprofit organization continues to grow in outreach with direct funds and services from individuals, businesses, corporations, memorials, and other nonprofit organizations to support where educational funding is not available.

Your donations will help support our teacher grants, scholarships and programs, as well as provide family emergency assistance funds that will help prepare students to build the necessary skills to eliminate social barriers that prevent them from being productive and focused in the classroom.

As the Foundation has reached our 30th year of service in the KCKPS, this is your opportunity to be part of something truly extraordinary. Your donations will help support our teacher grants, scholarships, and programs, and provide family emergency assistance funds that will help prepare students and eliminate social barriers that prevent them from being productive and focused.

Thank you in advance for your generous support, allowing us to make a difference in the lives of thousands of children and their families within the KCKPS each year. Over the next couple of days, you will be hearing from representatives from our Foundation to discuss options for your support. Enclosed are sponsorship levels and details on the upcoming event.

Our goal is to achieve \$30,000 in donation support, but we need your help to achieve our goal!

On behalf of the Kansas City, Kansas School Foundation for Excellence, thank you in advance for your consideration in 2020. We look forward to seeing you virtually or in-person in the coming year; until then, be healthy, and remain safe!

Thank you,

Christal Watson
Executive Director
Kansas City, Kansas School Foundation for Excellence
