# Mission & Vision

The Kansas City, Kansas School Foundation for Excellence (KCKS Foundation) believes that all students deserve an equal opportunity to reach their full potential in all educational and personal endeavors. The Foundation strives to serve all students and provide support to enhance their educational experience.

Our vision is to **embrace**, **empower** and assist the students of the Kansas City, Kansas Public Schools to **excel**.

The KCKS Foundation was established in 1990 with an annual Scholarship Golf Tournament. The Foundation was formed to provide **12 \$3,000 scholarships** for Kansas City, Kansas Public School students.

Today, we award **15 Foundation for Excellence scholarships**, each valued at **\$5,000**, along with **14 named scholarships**.

Our organization continues to expand beyond the golf tournament, aiming to direct funds and services from individuals, businesses, corporations, memorials, and other nonprofit organizations to support areas where educational funding is unavailable.
